# THE COOL LIST

In a year when "must-have" can mean anything, we found 28 things Hollywood really loves. Now, don't wait: **It's time to eat, shop and have fun like a star**

## Lady luck

**Jessica Alba** adds a little charm to her life with this Michelle R. necklace and genuine four-leaf clover, both hand-dipped in 24kt gold (\$92; 877-437-4367 or michelroydesigns.com).

## Print crazy

**Orla Kiely's** eye-catching patterns attract stars such as **Susan Sarandon**, who stocks up when visiting the designer's London flagship. Shown: red pear umbrella (\$100; [www.orlakiely.com](http://www.orlakiely.com)).

## Beach chic

**Courtney Cox** and **Jennifer Aniston** make a splash in **Fabucci's** reversible bikinis. The So-Cal line also has maillots that double as sexy mindresses for a beach party (\$150; at **Fred Segal**, 323-651-4129).

## Hello, Dubai

**George Clooney** gets his sheik on at the **One & Only Royal Mirage** resort in the shopping mecca of Dubai (in the United Arab Emirates), where the lush grounds overlook the Persian Gulf (\$280-\$6,640 per night; 866-552-0001).

## Sweet tooth

Devotees of **Very Vera** swear by the hand-frosted caramel layer cake. **Oscar de la Renta** is such a fan he shipped the home-made confection to 20 of his closest pals (\$45; 800-500-8333 or [veryvera.com](http://veryvera.com)).
